CQMM DX CONTEST ---> The CQ MM DX Contest, organized by the Juiz de Fora CW Group, will be held on 16-17 April. It will run from 9 UTC on Saturday through 23.59 UTC on Sunday, on 80, 40, 20, 15 and 10 metres CW. Complete details, including the results of the 2021 edition, can be found at <http://www.cqmmidx.com>.

QSL E51WL ---> Warwick, E51WL on Penrhyn Atoll (North Cook Islands) has run out of blank cards. "My QSL card resupply from the Ukraine just escaped the conflict, but then it became lost in Iceland", he says. Once found, it was sent "half way around the world by air to the South Cooks, for onwards transport by sea". The ship was one day away from Penrhyn when she run into a reef and let in water: "now they can't tell me about the mail, it should have been in safe keeping, but we don't know. Please hold on the requests for cards, I don't have any". Updates will be posted to E51WL's QRZ page.

TL8AA & TL8ZZ: CANCELLED ---> The Italian DX Team's DXpedition to the Central African Republic has been cancelled at the very last moment. They were supposed to be QRV as TL8AA and TL8ZZ from March 27 to April 9. "Most unfortunately, some cases of meningitis in Bangui prevented our departure from Milano Malpensa", Silvano, I2YSB says. "No prior warning was issued by either the Central African Embassy in Paris, the Government at the destination or Air Morocco. Just try to imagine our surprise and regret". Hopefully the expedition will be rescheduled at a later date.
